WE ARE HIRING

Business Development, Sales & Customer Relationship Officer

taleem.help: a TechEd company

Location: Bahria Town Phase 8, Rawalpindi (River View Junction)

Job Type: Full-time, on-site. Initial 3-month contract.

About Us

taleem.help is a technology-based learning platform for school students. We offer step-by-step lessons, visual explanations and structured practice based on the FBISE course, online and at our centre in Bahria Town Phase 8. The platform is ready, and we are now bringing it to students and parents across Rawalpindi and Islamabad.

The Role

You will be responsible for growing our student base and keeping students and parents satisfied. This is a target-based role. Clear sales targets are agreed with you when you join, and your performance is measured against them.

Responsibilities

Business Development

- Build relationships with schools, academies and parent communities in Rawalpindi/Islamabad
- Organize and coordinate our student and parent information sessions
- Manage our social media pages and post regularly (content support provided)

Sales

- Follow up on every lead from sessions, ads and walk-ins within 24 hours
- Give product demos and enroll students on annual subscriptions
- Keep a daily record of leads, follow-ups and sales

Customer Relationship

- Onboard new students and make sure they can use the platform from day one
- Stay in regular contact with students and parents
- Collect student feedback and content requests, and report them clearly every week
- Gather testimonials and success stories

Who We Are Looking For

- Bachelor's degree (BS Mathematics, Physics or Computer Science, or BBA preferred)
- Fresh graduates and candidates with up to 2 years' experience are welcome
- Tutoring or teaching experience is a plus
- Confident communicator in Urdu and English, on the phone, on WhatsApp and in person
- Comfortable with apps, smartphones and social media
- Organized and persistent, and motivated by targets
- Based in Rawalpindi/Islamabad

What We Offer

- Fixed salary: Upto Rs 40,000 per month
- Commission on sales
- Full training on the product and the sales process
- Permanent position and salary review on meeting targets
